Double Peel

Microderm w/ IS Clinical Signature Peel \$85

Microdermabrasion is a skin-freshening technique that helps repair facial skin that takes a beating from the sun and the effects of aging, mixing gentle abrasion with suction to remove the dead, outer layer of skin.

IS Clinical Signature Peel is an intensive clinical facial peel that is designed to rapidly and safely resurface the skin, thereby reducing fine lines and wrinkles, smoothing, softening, and encouraging cellular renewal.

PCA Signature Exfoliating Facial \$55

(valued at \$125)

The ultimate in smoothing, strengthening, refining and brightening your skin. We perform gentle exfoliation; apply Hemoglobe to promote circulation and extractions as necessary. We pay special attention to your eyes and your lips to facilitate decreasing fine lines. Treat yourself today!
